SUMMARY

A 20-year-old changemaker from Haryana, India, passionate about driving meaningful impact through technology, innovation, and social good. As the founder of multiple youth-led initiatives, he has introduced practical solutions in healthcare, education, and digital safety, gaining recognition both nationally and internationally. A published author and elected Member of Parliament at the World Teen Parliament 2024, Hardik is committed to using his voice and work to build a more equitable future. He continues to represent India's youth on global platforms, championing change with purpose and vision.
